

Cathrine Ann Event Introduction

Hello everyone.

My name is _____ and I will be introducing today's/tonight's Keynote Speaker: Cathrine Ann.

Her story is truly a rags to riches one, that Governor Linda Lingle of Hawaii, says has the ability to change peoples lives.

Cathrine Ann went from being homeless, broke and unemployed, into a Canadian business leader, heading a multi-million dollar organization that provides contract work to thousands.

She has since won numerous entrepreneurial awards including the prestigious YWCA Women of Distinction award.

As a child and young adult, she endured countless debilitating circumstances that might have otherwise lead to a life of despair.

Instead, she overcame them all and prospered.

She shares her inspirational story with audiences across the globe and through her memoir 'Beautiful Buttons', which will soon be a Hollywood movie.

Please join me in welcoming, the very inspirational (or something similar) Cathrine Ann.
