CATEGORY: BUSINESS & THE PROFESSIONS

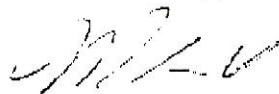

**RE: NOMINEE: CATHRINE M. ANN  
CONSUMER CONNECTION INC.**

Cathrine displayed her initiative to start her own business by being accepted into the SEEDS Self Employment Program in 1998. Since this time, she has worked very hard to build a successful company, Consumer Connection Inc., specializing in Customer Service Monitoring.

SEEDS has called upon Cathrine in the past, to share her success stories with graduating groups at SEEDS. She has provided inspiration and motivation to SEEDS clients as they embark in their respective careers of Self Employment. She has also facilitated at our AGM to offer positive reinforcement to others in their entrepreneurial quest.

Catherine is one of the successes that SEEDS take pride in having as our alumni.

Yours truly,
